

In memory of Robert Manwill and in response to our community's desire to do more for our children, become involved in the lives of children in **your** neighborhood.

SAY HELLO ON HALLOWEEN

To strengthen families and help protect children:

- Display this sign.
- Introduce yourself to the families that come to your door on Halloween night.
- Walk to your neighbors' door with your children and introduce yourself.
- Consider exchanging phone numbers in the event of an emergency.
- Be aware of the families in your neighborhood so you can help if something changes or if someone is in trouble.

No one person can do everything but
Everyone can do something, and
Together we can create change for the better.

A project of **Our Kids: Our Business**. For more information contact the Idaho Children's Trust Fund (208) 386-9317
